What We Can Do For You

Mission Statement

Solutions Northwest, Inc. believes people are at their best when they are productive. This is why we have assembled a comprehensive service line designed to help people stay-at-work, not just return to work. We believe early intervention starts before lost time begins. Our mission is to prevent workplace conditions and injuries from developing and to intervene when prevention has stumbled.

Solutions Northwest, Inc. offers the resources of highly skilled and experienced Consultants who are exceedingly accomplished in their field. Our associates are practitioners who have been screened for their understanding of injury prevention and intervention principles and for how they have integrated this understanding into their respective disciplines and practices.

Ergonomic Services

Consulting
Our methods ensure the development of effective programs developing end-to-end Consultation.

Office and Industrial Assessments
We offer an effective ergonomics assessment model and interview process for proven success.

Education and Training
Our sessions provide an educational framework for the fundamentals of office ergonomics.

Vocational Consulting & Forensic Services

Solutions Northwest, Inc. offers comprehensive vocational assessments that determine the true extent of an individual's physical and cognitive ability to work. Our assessments are as detailed assessments are as elementary or complex as necessary to address the unique circumstances of the given case.

Solutions Northwest, Inc. works with employers, claims managers and attorneys who represent all industries.

Contact Our Ergonomic Experts

Worker Compensation
We are skilled in the application of Administrative Code.

Family Law
Our assessments provide a complete picture of an individual's knowledge, skills and abilities to obtain and maintain employment.

Personal Injury
Our evaluations not only analyzes loss of earnings, but earning capacity as well.

ADA Accommodation
Our staff is experienced in specific training, personnel risk management, and ADA accommodation analysis services.
